

C.C.C. Kwei Wah Shan College
School-based After-school Learning and Support Programme 2007 ~ 2008

The Proposal

(I) Aim: The aim of this scheme is to develop the abilities of the youth in different areas, like communications with parents, teachers as well as peer groups and the control of self-emotion. What's more, the purpose of the scheme is to build up one's confidence and have all-round development. Through the scheme, what we expect the students to achieve are as follows:

- (1) To build up the students' confidence to deal with their daily work, academic studies in particular.**
- (2) To increase the students' social skills to communicate with other people, including their peers and adults.**
- (3) To increase the students' self-determination and self-esteem and develop their self-efficacy.**
- (4) To provide recognition for positive behaviour.**
- (5) To promote the students' moral competence.**
- (6) To promote the participants' emotional competence.**

(II) Target Group: The students that come from low-income families and have successfully been given the subsidy on the purchase of text-books.

(III) Content: In order to fulfill the purpose of the scheme, it is expected to make arrangements for the students. The proposal will include the following items:

- (a) rock-climbing**
- (b) one-day camp and/or outing**
- (c) voluntary service**
- (d) after-school academic learning programme**
